Power corrupts. PowerPoint
corrupts pointlessly.

Style is something that things
go out of.

I'm a fool to do your dirty
work, oh yeah.
I don't wanna do your dirty
work, no more.

You can't import the law.

A ship without a home port
never knows when it has
arrived.

We could have built the web
in the 70s but we knew that it
would break.

I just aim for the wreck.
